SOUNDS OF THE SEASON AT SOUTHWEST FLORIDA INTERNATIONAL AIRPORT

The Lee County Port Authority's holiday music program, Sounds of the Season, at Southwest Florida International Airport will feature live performances from local middle and high schools starting Monday, Dec. 7, 2009. Sounds of the Season is a great send off for passengers catching a flight or a warm welcome for those arriving for a holiday visit in Southwest Florida.

Local schools were invited to bring their music programs out to entertain travelers and people in the terminal at Southwest Florida International Airport during the holiday season. The Lee County Port Authority is excited to have nine performances this year from area schools that are taking the opportunity to share their talented students with the airport community.
